

DO NOT IRRADIATE MY FOOD!

Stop the insanity / I have the right
I as a citizen or resident of U.S. have the right to know ^{to} *Know*
what is done to my food. I demand the FDA to honor this right.

I demand truly safe food and the process of irradiation does not fit this definition.

I demand the irradiated food to be labeled, including the logo for irradiation and a statement like "Treated by Irradiation".

According to a 1997 CBS nationwide consumer pool, 77% of US consumers do not want irradiated food. I am one of them,
